Lacombe Park, St. Albert, AB

This isn't just a house, it's a canvas. Every corner, every finish has been carefully chosen by a professional interior designer. What was once ordinary is now a work of art, a reimagination of what home can feel like. Over 2,170 SqFt plus a finished basement, this 4-bed, 4-bath Lacombe Park beauty is filled with bold updates: new floors, open railings, spa-like bathrooms, and a kitchen designed to gather around. Towering 18' ceilings and expansive windows flood the living space with light. Upstairs, a loft and bedrooms balance retreat and connection, while the fully finished basement with media room is perfect for evenings in. The heated triple garage with EV plug-In is as practical as it is rare. Outside, mature trees, stamped curbing, and a landscaped yard frame your summer nights. More than a renovation, this is a lifestyle, where design and function meet in one of St. Albert's most loved communities.

Built in 1997
